Re: April Progress Report – VCMap Project

Dr. Kwitek,

I would like to provide you with a detailed progress report for the VCMap project through the end of April. This report is not a bill, it is simply a letter for your own personally information. I am sending you this letter prior to submitting an invoice to the Purchasing Department so that you are not surprised by any upcoming expenses for this project. I have included a list of all of the current and future milestones for this project, plus an estimated invoice date and amount. Please don't hesitate to contact me with any questions or concerns.

Sincerely,

Steven Davis

Progress Report

VCMAP Project
