Re: November - January Progress Report – VCMAP Project Phase 2

Dr. Kwitek,

I would like to provide you with a detailed progress report for the VCMAP project since our last meeting, through the middle of May. This report is not a bill, it is simply a letter for your own personal information. I am sending you this letter prior to submitting an invoice to the Purchasing Department so that you are not surprised by any upcoming expenses for this project. I have included a list of all of the current and future milestones for this project, plus an estimated invoice date and amount. Please don't hesitate to contact me with any questions or concerns.

Sincerely,

Steven Davis
